For over 40 years working with ethics,  
commitment and transparency.

# BERGI ADVOCACIA

To provide a legal service of unique excellence that is appropriate to the needs of our customers is what guides our performance. For over 40 years we have made our mark in important areas of law, contributing to the assurance of legal certainty and the growth of our clients. The national recognition of successful tax theses legitimizes our work and has enabled our performance in other areas of law, such as Administrative, Constitutional, Corporate, Customs and Real Estate, among others.

Our multidisciplinary team is dedicated to creating legal solutions that are personalized, robust and sustainable. Closely following Clients' activities enables us to work responsibly and proactively. Continuously improving their training, our lawyers value transparency in addressing the Clients' issues, combining professional experience and innovation with creativity and responsibility. So many years of achievements have brought us solidity and security to act in both the simplest and the most complex cases.

This is the story of Bergi Advocacia, which has been written and lived for over 4 decades with integrity, ethics and, above all, inspired by the legacy of our founder, José Osvaldo Bergi.

*Our multidisciplinary team is dedicated to creating legal solutions that are personalized, robust and sustainable.*

*In this way, we print our brand in important areas of law. The firm is recognized for its excellence, commitment and personalized service, repeatedly appearing among the most admired in Brazil.*
